Hi Patrick-

Here's info on how to access the data that is available thus far in case you haven't seen it. I've also asked Gina to add you to her distribution list.

Thanks,
Sarah

Hello Everyone,

Dissolved metals information is posted on the website – www.epaossc.org/goldkingmine. Click on documents (either at the top of the website or right side of page); it's titled "data report." Thanks, Gina
